

Survey Deadline Extended!

The Minnesota Historical Society, in collaboration with the Midwest Art Conservation Center (MACC), is conducting an electronic survey of the preservation needs of Minnesota's cultural institutions. **Response to the survey has been positive and the deadline has been extended to October 20, 2008.** If you have not already done so, please complete the brief survey. Click http://www.surveymonkey.com/s.aspx?sm=by1L0ktiqlI_2b_2bS9iNuKtgQ_3d_3d%22%3E.

The survey is part of a *Connecting to Collections* statewide preservation planning grant from the Institute of Museum and Library Services (IMLS) to identify collections care needs and develop a plan to meet them. The long-term goal of the project is to obtain an implementation grant that will assist Minnesota's institutions in preserving their collections. The best way to guarantee that your needs are represented is to participate now.
