

Lumberjack Supplies: Barn Boss

As the barn boss, you will be working with the horses all day making sure they have plenty of food, and are ready to go when the workday starts at “Can See.” You will be moving in and out of the barn all day and cleaning up after the horses. Do you think one pair of socks will be enough? Being new, you will have the bunk furthest from the stove in the bunkhouse, so you will want to purchase another blanket.
