

Lumberjack Supplies: Road Monkey

As the road monkey, you have the important job of cleaning up the trails that we use to bring the logs to the river. That means cleaning up horse droppings, making sure the paths are clear of bark, and are well iced. You are the lowest paid jack in camp, but have an important job. You'll be spending all day outside, so make sure you have enough pairs of wool socks and mitts to trade out. Also, as the greenhorn in camp, you will have the bunk furthest from the stove, so you will want to purchase another blanket.
