

- Good Morning
- Earlier this year I asked Dr. Bruce Corrie to head-up a working group and explore Minnesota's Minority Business climate and how we can tap into the ethnic minority market.
- Today Dr. Corrie delivered to me the working group's report.
- The group has worked very hard, and I am really looking forward to seeing their results.
- This report will be of assistance to me as we continue our work on Healthy, Vital Communities, which is a part of my Big Plan.
