

- Good Afternoon—With all you news directors here today, I'll assume we're on the record.
- I don't know if you're aware or not, but I recently came out with a new book called *Do I Stand Alone: Going to the Mat Against Political Pawns and Media Jackals*
- The book deals with the country's two political parties, the news media's obsession with entertaining, and the public's apathy with them.
- In the book I deal with the problems of today's media. If you don't mind, I'd like to take this opportunity to share them with you!
The media has a responsibility....(EXPAND for 4 minutes)
- One of the other reasons I decided to speak here today is because I hear that one of my former employers is accepting an award. I worked for Hubbard Broadcasting at KSTP-AM (EXPAND)
- Stanley Hubbard
(EXPAND with Stanley Hubbard story for 4 minutes)
- Congratulations in advance Stanley. Your contributions to broadcasting in the state of Minnesota are greatly appreciated. I'd like to wish you good luck with channel 45, the new station in town.
- Members of R-T-N-D-A don't take the things I've said today too harshly. Matter of fact, sometimes I enjoy a good battle!
- Thank you
