

- Welcome everyone. Given what's been going on the past few weeks, I am *extremely* glad to be here.
- What you're doing here at ADC is exactly what a governor loves to see.
- Let's see: you're helping our state's economy immensely...you're on the cutting edge when it comes to high technology....and you're helping bring Minnesota to the rest of the world.
- If I were going to diagram it out, that's how I'd do it.
- You should be very proud of what you have here....keep up the good work.
