

- Thank you, Madam Mayor, Chair Mondale and Mr. Clark
- When I was mayor of Brooklyn Park I recognized that we needed to work with what we had
- Redevelop and Revitalize (610 & Zane Ave. corridor project stories)
- Like Zane Ave., The Village project is Smart Growth. Built on existing transit and revitalizing a creek that many had forgotten about
- With the help of the new and improved Met Council, this city, this region and this state is headed in the right direction
- We stress a “more livable community”
- The Twin Cities is a great place to live and raise a family and continuing efforts like this will ensure a great community for future generations
- Thank you
